# Important information

## Interview

Acceptance into MTN involves an interview of both Trainer and Trainee held, in most instances, in October at a suitable location to be advised.

## Minutes and Budget

The interviewers require Trainers to bring an extract minute of the Congregational meeting where appointment of a MTN Trainee has been approved, as well as a budget forecast for the ensuing 2 years of the MTN course.

## Funding

The minimum stipend for MTN Trainees is determined from time to time by the Stipends Commission of the Presbyterian Church of Queensland. Some churches elect to pay the whole cost of MTN whilst other churches can only afford the trainee with outside help. It's important to realise MTN grant funds are limited and we try to apply these where the needs are greatest. The maximum assistance available for each trainee from the fund is \$15,000 per annum. To aid your church's financial planning, as much as possible, we will make the grant offered for the second year consistent with the grant offered in the first year. We will ask for financial information at the end of this application form.

## When will you know?

The Committee on Ministry Resourcing will endeavour to let you know by mid November or as soon as possible thereafter, the success or otherwise of your application and the relevant amount of funding available.
